19 April '66

mon cher vieux -

Avez vous reçu ma lettre?
 Answer me please. I am
 NOT in the middle of the Pacific.
 I am not drunk. Rien n'est
 écrit dans le livre du bateau
 ire. please come, & write
 whether you can be here on
 5th or 12th June - I would
 like you to make a phalène
 from the ICA gallery, & we
 can have it on one of these
 Sundays. But they want
 to know immediately, to
 announce what will happen in
 their bulletin. Can you send
 a short history of La Phalène?
 If it's in French I can get
 one of the writers to translate
 it - say anything you want
 & it will be published in the ICA
